It is, therefore, in the best interest of the Government to afford both parties a full understanding of their respective obligations.
- (2) Contractor personnel under this contract shall not:
  - (i) Be placed in a position where they are under the supervision, direction, or evaluation of a Government employee.

- (i) The services to be performed under this contract do not require the Contractor or his/her personnel to exercise personal judgment and discretion on behalf of the Government. Rather the Contractor's personnel will act and exercise personal judgment and discretion on behalf of the Contractor.
- (ii) Rules, regulations, directives, and requirements that are issued by Broadcasting Board of Governors under its responsibility for good order, administration, and security are applicable to all personnel who enter the Government installation or who travel on Government transportation. This is not to be construed or interpreted to establish any degree of Government control that is inconsistent with a non-personal services contract.

(4) Inapplicability of employee benefits. This contract does not create an employer-employee relationship. Accordingly, entitlements and benefits applicable to such relationships do not apply.

(i) Payments by the Government under this contract are not subject to Federal income tax withholdings.

(ii) Payments by the Government under this contract are not subject to the Federal Insurance Contributions Act.

(iii) The Contractor is not entitled to unemployment compensation benefits under the Social Security Act, as amended, by virtue of performance of this contract.

(iv) The Contractor is not entitled to workman's compensation benefits by virtue of this contract.

(v) The entire consideration and benefits to the Contractor for performance of this contract is contained in the provisions for payment under this contract.

(5) Notice. It is the Contractor's, as well as, the Government's responsibility to monitor contract activities and notify the Contracting Officer if the Contractor believes that the intent of this clause has been or may be violated.

(i) The Contractor should notify the Contracting Officer in writing promptly, within three calendar days from the date of any incident that the Contractor considers to constitute a violation of this clause. The notice should include the date, nature and circumstance of the conduct, the name, function and activity of each Government employee or Contractor official or employee involved or knowledgeable about such conduct, identify any documents or substance of any oral communication involved in

the conduct, and the estimate in time by which the Government must respond to this notice to minimize cost, delay or disruption of performance.

- (ii) The Contracting Officer will promptly, within three calendar days after receipt of notice, respond to the notice in writing. In responding, the Contracting Officer will either:

(a) Confirm that the conduct is in violation and when necessary direct the mode of further performance,

(b) Countermand any communication regarded as a violation,

(c) Deny that the conduct constitutes a violation and when necessary direct the mode of further performance; or

(f) **Contractor Standards of Conduct:** The contractor (i.e., POV, PSC) shall maintain satisfactory standards of competency, conduct, cleanliness, appropriate dress and integrity. The Contractor shall adhere to standards of conduct that reflect credit on themselves and the United States Government. Except as noted, the Contracting Officer reserves the right to immediately "Terminate the Contract for Default" for failure to comply with the standards of conduct delineated herein and as follows

- (1) Use of Government Furnished Equipment ("GFE") and misappropriation of Government Furnished Materials ("GFM"). The Contractor shall restrict their use of Government Furnished Equipment (e.g., computers, telephones, video equipment, copying or fax machines, or the internet) and Government Furnished Materials (e.g., paper, ink, pens, replenish-able office supplies) to the performance of the work prescribed herein. Contractor use of GFE or GFM for personal or other reasons may result in immediate "Termination for Default" as noted previously.

The contractor shall not possess, sell, consume, or be under the influence of intoxicants such as alcohol, illegal drugs, or other controlled substances (i.e., narcotics) while on government leased, rented or owned premises, or while performing the work prescribed herein.
- (4) Job Competency. Acceptance of a Delivery or Task Order serves as the Contractor's confirmation that they are fully qualified to perform the work. Failure to possess the

requisite skills (e.g., inadequate proficiency in the language or culture) may be deemed as evidence of misrepresentation and grounds for immediate Termination for Default as noted previously.

- (5) Accurate Invoicing. The Contractor shall submit invoices that properly reflect the work performed. Submittal of an invoice that does not accurately reflect or otherwise misrepresents the work performed may be considered fraud subjecting the Contractor to immediate "Termination for Cause."

A violation of this paragraph may subject the Contractor to an immediate "Termination for Cause."
- (7) Criminal or other Legal Actions. In certain circumstances the Contractor may be subject to criminal actions as allowed by law. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.
- (e) *Termination for the Government's convenience.* The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges that the Contractor can demonstrate to the satisfaction of the Government, using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.
- (f) *Termination for cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.
- (g) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

MEMO TO: OCB/A: Irv Rubenstein

FROM: OCB/RNB: Clara Dominguez, Chief, Radio News Branch

RE: Technical Review and Recommended Contractor

The Office of Cuba Broadcasting/Radio News Branch has a requirement for a contractor to provide services as such as found in Part IV, paragraph B.#.a.3 of the IBB Contracting and Talent and Other Professional Services Handbook. Radio News is looking for a vendor to provide a commentary on cultural affairs once a day. Vendor has one assignment per day and performs this assignment in conjunction with the hours the newscasts are on the air. Radio Marti News is a 24 hour seven day a week operation. At present we have five newscasts during the day, news bulletins every half hour and four newscasts Saturday and Sunday with news bulletins. We do not have enough personnel in staff to perform all the work required to air of live hard news 24 hours on weekdays and weekends.

The commentary will delve on cultural issues that range from current literature, to music, movies, theater and all aspects of the cultural sphere of interest to the audience. The live commentary will be approximately five minutes in length and will require extensive and daily research on the field as the individual will need to be up to date on the latest news.

After looking at the lists of vendors provided by the Department of Administration we feel that Mr. Armando Alvarez Bravo is best suited for this project. Mr. Alvarez Bravo has had ample experience in cultural affairs as member of renowned cultural organizations. As a published authors of numerous articles and books he would be a superb contributor to the lineup of commentators that we presently have in the newscasts.

Besides looking at Mr. Alvarez Bravo we also looked at two other individuals. Karla Barro has had ample experience as well in the fields of theater and music, working for radio and television and Alejandro Rios whose expertise is in the area of film. We find that Mr. Alvarez Bravo best suits our needs as we seek to have a broader background in a wide variety of fields. Besides Ms Barro and Mr. Rios already appeared in programs in Radio Marti. The field of possibilities when it comes to vendors who specialize in cultural affairs is limited as we seek individuals with broad knowledge not only on Cuban

The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

(g) **Termination for cause.** The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. Translators, Narrators, Videotape Editors, Videotape Recycling Technicians, Videotape Recording Technicians, TV Mini-Cam Technicians, Studio Technician Director, Video Researcher/Catalogers, Camera Operators, Character Generator Operators (Chyron), TV/Radio Bookers, Promo Producer/Editors, Audience Mail Assistant (respond to incoming letters/emails from VOA Listeners around the world), and Electronic Graphic Artists. In addition, VOA is also interested in Internet Writers, Editors, Web Designers and Graphic Designers. Furthermore the BBG's Office of Cuba Broadcasting (OCB), which broadcasts radio and television programming in Spanish Cuba, is seeking qualified sources for similar free-lance assignments on the same "as-needed" contract basis: VOA, but with OCB's free-lance work assignment locations being Miami, FL or at overseas locations. The following general information pertains to all of the above-listed VOA and OCB free-lance assignments: 1) Assignments are performed on a contract basis. 2) Most VOA assignments require working in Washington, DC while some assignments require working at IBB studios at overseas locations. Most OCB assignments require working in Miami, FL; while some assignments require working at overseas locations. 3) Contractor candidates may be required to undergo a background security investigation and successfully pass the security clearance process in order to receive work assignments. 4) Contractor candidates must be willing to work on an "as-required" basis, depending upon the VOA's or OCB's broadcasting needs. Some broadcasting activities require working irregular hours - such as very early in the morning or late in the evening - depending on the broadcast schedule. 5) Videotape editor candidates should have at least two (2) years experience as a videotape editor in either a commercial or Government television production facility, utilizing modern computerized editing systems and videotape machines. 6) Free-lance assignments are contracted for strictly on an "as needed" basis. The VOA and OCB make no guarantees on the amount of work assignments that contractors can expect to receive. 7) The Government is obligated to inspect all contractors performed work to insure that it fully satisfies the Government requirements. The Government is further obligated to reject all work that fails to meet Government-specified requirements. The following criteria, depending on the type of broadcasting services being contracted, are used appropriate by VOA and OCB to evaluate prospective contractors: 1) Radio or television broadcast or Internet news experience, including translating and adapting broadcast scripts. Please specifically note that for broadcasting work, the VOA requires that prospective contractors take a voice and writing test. For translation camera work, VOA requires that prospective contractors take a translation and/or on-camera test. 2) Extensive knowledge of the target broadcast language(s) and the ability to adapt English material into the target language. 3) Ability to produce work that demonstrates a keen knowledge of national and international issues. 4) Ability to explain complex issues in clear, logical terms that can be understood by VOA's and OCB's worldwide audience. 5) Ability to operate highly specialized and complex broadcast television equipment, such as audio consoles, character generators, wave-form monitors and vectorscopes, and videotape machines. 6) Highly developed production skills, such as: assembling/coordinating material, monitoring program segments for proper sequence and integration, ensuring continuity, editing broadcast scripts as necessary, etc. 7) Ability to research, select, and prepare material to provide background and highlight key elements of VOA or OCB web news reports, prepare and encode multimedia enhancements, and either prepare or request and coordinate the preparation and encoding of additional streamed media, and ensure compliance with copyright restrictions. 8) Documented knowledge (i.e., education/training and/or practical experience) of the principles and practices of journalistic writing, editing, and Internet publishing. 9) Computer skills required. 10) Ability to operate a wide variety of digital broadcast equipment. And 11) Ability to read and analyze incoming correspondence to determine information requested and prepare a responsive and personalized response. Prospective contractor are hereby notified that the basis for award will be based on best value; with technical evaluation factors (i.e., strength of prospective contractor's CV, approach to performing work) being more important than the prospect

Re: Technical Review and Recommended Contractor

The OCB Radio Marti Programs Branch has a requirement for a contractor to provide expert commentary services as found in Part IV, paragraph B.3 a.3, of the IBB Contracting for Talent & Other Professional Services Handbook. I estimate the contractor will work five assignments per week. I have found that no agency employees with requisite training and/or capabilities are available at the time the services are needed, that specialized skills are required, that the services can be obtained more economically from non-federal sources, and that only general Government oversight of contractor performance is required.

I have reviewed the resumes of Miguel Saludes, Alejandro Rios and Armando Alvarez Bravo. Based on the requirements outlined above, I consider Alvarez Bravo the most technically acceptable. His knowledge of Cuba's social and cultural history as well as his journalistic experience put him above the rest. I recommend his selection for the required services.

- (1) Within a reasonable period of time after the defect was discovered or should have been discovered; and
- (2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

(e) *Excusable delays.* The Contractor shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of the Contractor and without its fault or negligence, such as acts of God or the public enemy, acts of the Government in either its sovereign or contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. The Contractor shall notify the Contracting Officer in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to the Contracting Officer of the cessation of such occurrence.

(f) *Termination for the Government's convenience.* The Government reserves the right to terminate this contract, or any part hereof, for its sole convenience. In the event of such termination, the Contractor shall immediately stop all work hereunder and shall immediately cause any and all of its suppliers and subcontractors to cease work. Subject to the terms of this contract, the Contractor shall be paid a percentage of the contract price reflecting the percentage of the work performed prior to the notice of termination, plus reasonable charges that the Contractor can demonstrate to the satisfaction of the Government, using its standard record keeping system, have resulted from the termination. The Contractor shall not be required to comply with the cost accounting standards or contract cost principles for this purpose. This paragraph does not give the Government any right to audit the Contractor's records. The Contractor shall not be paid for any work performed or costs incurred that reasonably could have been avoided.

(g) *Termination for cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(h) *Warranty.* The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(End of clause)

## **ADDITIONAL CLAUSES – TALENT AND OTHER PROFESSIONAL SERVICES CONTRACTORS**

In addition to the Clauses and Provisions contained in the Form IBB-999, supplemental terms and conditions Purchase Orders with individuals, OF 347 and IBB-4, the following Clauses are also incorporated in this award:

### **1. GOVERNMENT – CONTRACTOR RELATIONS**

(a) The Government and the Contractor understand and agree that the services to be delivered under this contract by the Contractor to the Government are non-personal services and the parties recognize and agree that no employer-employee relationship exists or will exist under the contract between the Government and the Contractor's personnel. It is, therefore, in the best interest of the Government to afford both parties a full understanding of their respective obligations.

(b) Contractor personnel under this contract shall not:

(1) Be placed in a position where they are under the supervision, direction, or evaluation of a Government employee;

(2) Be placed in a position of command, supervision, administration or control over Government personnel, or over personnel of other Contractors under other BBG contracts, or become a part of the Government organization;

(3) Be used in administration or supervision of Government procurement activities;

(c) Employee relationship

(1) The services to be performed under this contract do not require the Contractor or his/her personnel to exercise personal judgment and discretion on behalf of the Government. Rather, the Contractor's personnel will act and exercise personal judgment and discretion on behalf of the Contractor.

(2) Rules, regulations, directives, and requirements that are issued by Broadcasting Board of Governors under its responsibility for good order, administration, and security are applicable to all personnel who enter the Government installation or who travel on Government transportation. This is not to be construed or interpreted to establish any degree of Government control that is inconsistent with a non-personal services contract.

(d) Inapplicability of employee benefits. This contract does not create an employee-employee relationship. Accordingly, entitlements and benefits applicable to such relationships do not apply.

(1) Payments by the Government under this contract are not subject to Federal income tax withholdings;

(2) Payments by the Government under this contract are not subject to Federal Insurance Contributions Act;

(3) The Contractor is not entitled to unemployment compensation benefits under the Social Security Act, as amended, by virtue of performance of this contract;

(4) The Contractor is not entitled to workman's compensation benefits by virtue of this contract.

(e) Notice. It is the Contractor's, as well as, the Government's responsibility to monitor contract activities and notify the Contracting Officer if the Contractor believes that the intent of this clause has been or may be violated.

(1) The Contractor should notify the Contracting Officer in writing promptly, within three calendar days from the date of any incident that the Contractor considers to constitute a violation of this clause. The notice should include the date, nature and circumstance of the conduct, the name, function and activity of each Government employee or Contractor official or employee involved or knowledgeable about such conduct, identify any documents or substance of any oral communication involved in the conduct, and the estimate in time by which the Government must respond to this notice to minimize cost, delay or disruption of performance.

(2) The Contracting Officer will promptly, within three calendar days after receipt of notice, respond to the notice in writing. In responding, the Contracting Officer will either:

(i) Confirm that the conduct is in violation and when necessary direct the mode of further performance;

(ii) Countermand any communication regarded as a violation;

(iii) Deny that the conduct constitutes a violation and when necessary direct the mode of further performance; or,

(iv) In the event the notice is inadequate to make a decision, advise the Contractor what additional information is required, and establish the date by which it should be furnished by the Contractor and the date thereafter by which the Government will respond.
